

Local Gatherings Reports/Stories

Thank you for contributing a short story on your Local Gathering for the Marist Association's newsletter, *Christlife*.

The following is a guide for how and what to write, and how much.

Word Count:

300 – 350 words, minimum 230 words

Content:

The content should ideally represent a summary of the events of the Local Gathering:

- who and how many attended?
- what was the theme of the night/occasion?
- what prayers or scripture or resources were reflected upon? What were some of the comments or ponderings of the group or individuals? (can you provide a couple of quotes?)
- what else was discussed, and were any decisions or commitments made?
- how did everyone feel coming together?
- any new Members welcomed?
- what is your personal reflection on the spirit of the gathering?
